Early Learning Indiana have 15 AmeriCorps members who will: 1) build the capacity of pre-Kindergarten (pre-K) programs to engage parents in their child's education and development, 2) strengthen program-parent relationships, and 3) help parents support their child's development, particularly with respect to literacy. The AmeriCorps members will be assigned to high-quality, pre-K programs in three of the five counties (Allen, Marion and Vanderburgh) participating in the state of Indiana's inaugural pre-K pilot program. AmeriCorps members will be hosted by participating high quality pre-K programs and be oriented, trained and coached by specialists in early childhood and family engagement located within child care resource and referral agencies in the three communities. At the end of the first program year, the AmeriCorps members will be responsible for ensuring one overarching outcome: parents of low-income children engaged in the state's pre-K pilot program have positively impacted their child's readiness for Kindergarten. This program will focus on the CNCS focus area of Education. The CNCS investment of \$205,324.00 will be matched with \$191,522.00, all of which is privately-funded.
